

Group 4 Secretary Post

Dear Secretaries,

Following the correspondence sent out on the 19-11-24 by Dave King describing the duties of the Secretary post no reply has been sent to either Dave or myself.

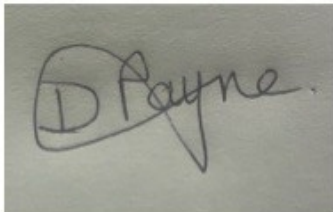

You will be aware I have sent various letters asking clubs to provide names and at our AGM in October delegates were reminded of the seriousness of the situation the Group is in.

The post has been filled over the last two bowls seasons by Dave which I am sincerely thankful for. He has repeatedly indicated that he does not wish to hold the position on a permanent basis. So I find myself yet again asking you to canvass your members with view of somebody coming forward to fill the vacancy. There are 571 registered bowlers in Group 4 and I am sure there must be one who can take on this role. Dave has always said he will give the necessary assistance to a volunteer.

Unfortunately if you, the Clubs registered with Group 4, do not provide a candidate then the future of the Group looks very bleak,

Please contact myself or Dave by the 21st December with nominations.

Best wishes and seasonal greetings
